

MPD_A

- **MPD-035W A**

- Characteristic:

- • Combination of output voltage: 5V、12V、24V、48V、±5V、±12V、±15V
- • Superior performance with small ripple
- • -A Series,Dual load need the same
- • Protections:Over voltage/Overload/Short circuit
- • Surge protection
- • Space saving,high integration, improve competitive advantage
- • 2 years warranty

- **MPD-050W A**

- Characteristic:

- • Combination of output voltage: 5V、12V、24V、48V、±5V、±12V、±15V
- • Superior performance with small ripple
- • -A Series,Dual load need the same
- • Protections:Over voltage/Overload/Short circuit
- • Surge protection
- • Space saving,high integration, improve competitive advantage
- • 2 years warranty

• **MPD-075W A**

- Characteristic:

- Combination of output voltage: 5V、 12V、 24V、 48V、 $\pm 5V$ 、 $\pm 12V$ 、 $\pm 15V$
- Superior performance with small ripple
- -A Series,Dual load need the same
- Protections:Over voltage/Overload/Short circuit
- Surge protection
- Space saving,high integration, improve competitive advantage
- 2 years warranty

• **MPD-100W A**

- Characteristic:

- output : 12-24VDC
- Superior performance with small ripple
- -A Series,Dual load need the same
- Protections:Over voltage/Overload/Short circuit
- Surge protection
- Space saving,high integration, improve competitive advantage
- 2 years warranty
